WELCOME

Welcome! We are pleased that you have joined us tonight for our 2016 ATI Company Graduation.

ATI is proud of what this class has accomplished and has been honored to work with the teams in our biosciences, clean energy, and IT/wireless verticals. This is only the beginning. We look forward to your future accomplishments!

ATI Class of 2016

- 19 graduates
- \$223 million raised
- 1 IPO
- 2 Acquisitions
- 1 Merger

ATI Companies (The Last 10 Years)

- 76 graduates
- \$900 million raised
- 2 IPOs
- 28 Merger & Acquisition events

Economic Impact of Recent Graduates

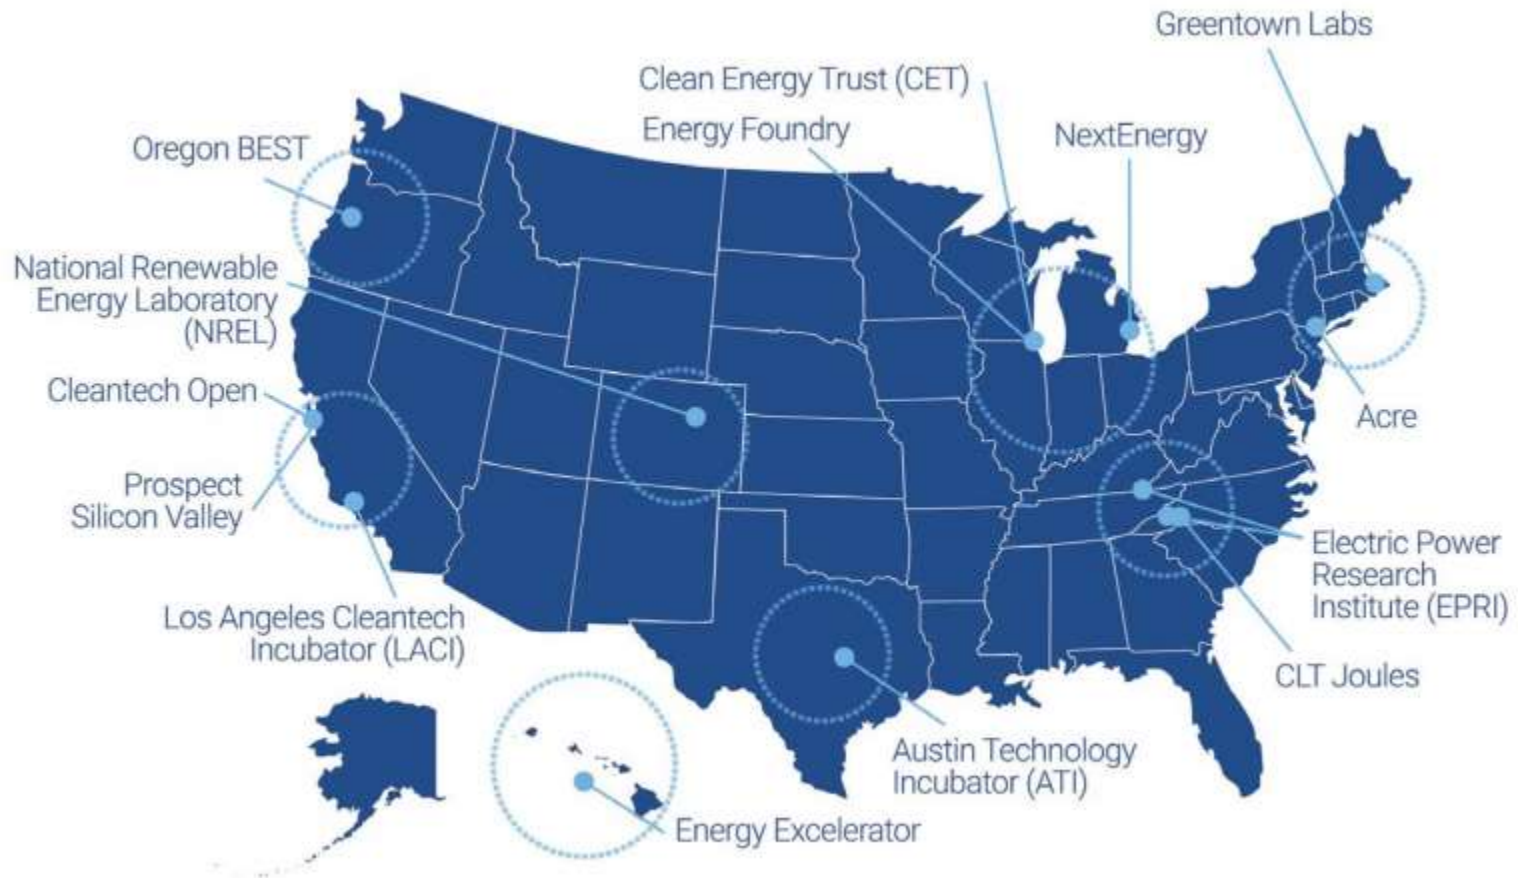

- Approximately 7,000 jobs created
- Generated nearly \$1 billion in economic benefits for Central Texas
- Contributed more than \$20 million in local tax revenue

ABOUT US

The **Austin Technology Incubator (ATI)** a program of the IC² Institute, is the startup incubator of The University of Texas at Austin. Since its founding in 1989, ATI has harnessed business, government, and academic resources to provide strategic counsel, operational guidance, and infrastructure support to its member companies to help them transition from early stage ventures to successful technology businesses.
